

NeedSomething-DoSomething

First Verse:

Lead: Everybody needs something, They need Jesus, They need Jesus

Backup: They need something, They need Jesus, They need Jesus

Lead: Everybody needs something, They need Jesus, They need Jesus

Backup: They need something, They need Jesus, They need Jesus

Lead: Father told you just what to do, So do something, So do something

Backup: You've got to do something, You've got to do something

Repeat First Verse: (a little stronger <)

Lead: Everybody needs something, They need Jesus, They need Jesus

Backup: They need something, They need Jesus, They need Jesus

Lead: Everybody needs something, They need Jesus, They need Jesus

Backup: They need something, They need Jesus, They need Jesus

Lead: Father told you just what to do, So do something, So do something

Backup: You've got to do something, You've got to do something

1st Change Verse:

Lead: You talk about how deep down in your heart you love the Lord no doubt about it I know you do
But there is just one thing one thing I'd like to say to you I hear what you say now let's see what you do!
Come on now do something!

Lead: So do something

Backup: You've got to do something, You've got to do something

2nd Change Chorus:

Backup: Because what they need is Jesus! Because what they need is Jesus!
Because what they need is Jesus! Because what they need!

Sax Solo Break:

Lead: Come on, Come on, Come on do something, You've got to do something
The Father told you just what to do!

Lead: Come on, Come on, Come on do something, You've got to do something
The Father told you just what to do!

End Chorus:

Backup: Because what they need is Jesus! Because what they need is Jesus!
Because what they need is Jesus! Because what they need! **(Repeat end chorus)**
