INTRO CHORUS
If it never rained I probably wouldn't know you
If it never rained if it never rained

VERSE
Lord I know that I never would have seen
All of the blessings that you've had for me
If not for the trials and tribulations no I wouldn't know you at all
All the things that we all go thru Lord it's to draw us nigh unto you
You're my calm in the midst of the storm that's why I love you Lord

If it never rained I probably wouldn't think that you cared
If it never rained I probably wouldn't know you
If it never rained if it never rained

SECOND VERSE

But I know your love is everlasting
If I'd open my eyes I know that I would see that you only want to do
