

If It Never Rained

CHORUS:

If it never rained I probably wouldn't know you
If it never rained if it never rained

VERSE:

Lord I know that I never would have seen
All of the blessings that you've had for me
If not for the trials and tribulations no I wouldn't know you at all
All the things that we all go thru Lord it's to draw us nigh unto you
You're my calm in the midst of the storm that's why I love you Lord

CHORUS:

If it never rained I probably wouldn't know you
If it never rained I probably wouldn't think that you cared
If it never rained I probably wouldn't know you
If it never rained if it never rained

SECOND VERSE:

I know in life that we go thru some things
But I know your love is everlasting
If I'd open my eyes I know that I would see that you only want to do
What's best for me
Oh Lord when I'm down on my knees I thank you for the blessings that
You've given me and your love and grace your with me always
Even till the very end that's what you said

REPEAT FIRST CHORUS:

SECOND CHORUS:

Gotta keep prayin' listen what I'm sayin' is whatever you need Jesus will
Surely be
I was lost but now I'm found was blind but now I see all of the things that
Jesus has done for me

REPEAT SECOND CHORUS:

ENDING CHORUS:

If it never rained
Jesus loves you Jesus loves you yeah
If it never rained
Oh yes I did and I'm gonna do again

If it never rained

Jesus loves you Jesus loves you yeah

If it never rained

Jesus loves you He loves you and this I know

For The Bible tells me so it tells me so it tells me so
