

# Tell You About Jesus

## **CHORUS:**

I'll tell you about Jesus I'll tell you how He saved my soul  
Tell you how He died for me I'll tell you about cavalry

## **VERSE:**

A man Jesus Christ made a change in my life  
I was bound now I'm free because first He loved me  
He's the prince of joy He's the prince of peace  
I don't know why He died for me

But now I can say all things old pasted away  
And become brand new because of you  
He gave his life to save my life took all my wrong  
And made it right

## **REPEAT CHORUS:**

## **SECOND VERSE:**

Now I can say I am saved here today  
Cause He lay on a cross to save that which was lost  
He loved us so He let it show thorns through His head  
They thought He was dead

But then in three days Jesus rose up again  
Glorified son of man with all power in His hands  
He's given us more than enough His precious blood to cover us

## **REPEAT CHORUS:**

## **THIRD VERSE:**

Don't know why He gave His life for me  
Lay down on the cross on cavalry  
Don't know why He loved me so

And I guess I'll never know (till that day)  
Don't know why He cared so much for me  
now I can proclaim the victory  
Thank you for your only Son  
And I know one day I'll hear job well done

**ENDING CHORUS:**

He died for me on cavalry and now I'm free and now I'm free  
He died for me on cavalry and now I'm free and now I'm free
